Department of Bengali, East Calcutta Girls' College and HITAIISI, A Philanthropic & Literary Organization organised A Collaborative International Symposium & Literary Confluence. Topic of the Symposium was Literature in Translation Today or Life, Love, Literature.

From Principal's Desk

Welcome to East Calcutta Girls' College!! Situated in the eastern fringes of Kolkata, the college has been striving since 1992 to spread education among girl students. The college envisions to educate, capacitate and empower the girls not only by providing quality education, but also by facilitating them with employability skills and ensuring their holistic development.

The college offers 17 UG programmes and 2 PG programmes in Education and Geography. Equipped with a pool of qualified and dedicated teachers, ICT enabled classrooms, resourceful library, gymnasium, yoga and sports facilities, we try to serve our students in the best possible way. The college offers a number of certificate courses, and arranges a number of seminars, lectures and workshops. Students are instilled with a sense of social responsibility through their participation in NSS activities and celebration of different important days. Their artistic, creative and cognitive talents are showcased through different cultural programs, quiz competitions, debates, etc. The college provides students with regular psychological counselling and career counselling.

It is a matter of great pride that our students consistently perform well, win accolades and shine in their career. The zeal and fervour of the students keep us motivated to work relentlessly for developmental activities of the college. Since there is no limit to quality up-gradation, we at East Calcutta Girls' College work together with all our stakeholders to expand, upgrade and innovate.

I wish every success to our students !!!

Dr. Ujjaini Mukhopadhyay
Principal

POST GRADUATE COURSES IN EDUCATION AND GEOGRAPHY

Post Graduate courses in Education and Geography were introduced in 2016. A number of research Scholars are pursuing research under the guidance of our faculty.

4-year Undergraduate Programme and 3-year Undergraduate Programme Under Curriculum and Credit Framework for Undergraduate Programmes Based on National Education Policy, 2020

. Eligibility for admission in the UG Programmes:

- These regulations shall be applicable to the students taking admission to the B.A/ B.Sc / B.Com courses from the academic session 2023-2024.
- Students who have already successfully completed any UG degree earlier are not eligible to take admission into above courses.
- A candidate who has passed the Higher Secondary (10+2) or its equivalent level examination is eligible to seek admission to the First Semester of the Eight Semester B.A./B.Sc./B.Com./BBA (Hons and Hons. with Research) or B. A. Music. (Hons. and Honours with Research) or in the First Semester of Six semester Multidisciplinary B.A./B.Sc./B.Com. Course of studies provided he/she has also passed in English having full marks not being less than 100.
- In any case, where there is an ambiguity regarding the admissibility of a particular examination at the Higher Secondary (10+2) level of study, the matter shall be referred to the Equivalence Committee of the University who shall determine the eligibility of the said examination.
- However, no candidate, opting for Honours shall be allowed for admission in the course after a lapse of more than 3 years from the year of passing the previous qualifying examination. Those desirous to do so need to seek prior permission from the University authority. Students desiring admission in 3 year Multidisciplinary programme shall get a total lapse of not more than 6 years.
 - The year of admission shall not be taken into account while calculating 3 years from the year of passing the previous qualifying examination.
 - However, in exceptional cases a candidate may be allowed for admission after 3 years of the previous qualifying examination, but, within 3 years after discontinuation of a recognized regular Course of Study.

Those desirous to do so will seek permission from the University Authority. This exception is valid for both 4-year (Hons/Hons. with Research) and 3-year Multidisciplinary UG programmes of study.

- For the purpose of determining eligibility for admission to the 4-year Honours Course, aggregate marks shall be calculated by adding the marks of top four subjects in order of marks secured by a candidate. However, marks in compulsory Environmental Education/Studies shall not be taken into account for calculation of aggregate marks. If the subject “Environmental Science” is studied as an elective subject of 100 marks, it may be taken into account for the purpose of determining the aggregate marks.

- For the purpose of determining eligibility for admission to the 3-year Multidisciplinary UG programme of study, aggregate marks shall be calculated by adding the marks of top four subjects in order of marks secured by a candidate. However, marks in compulsory Environmental Education/Studies shall not be taken into account for calculation of aggregate marks. If the subject “Environmental Science” is studied as an elective subject of 100 marks, it may be taken into account for the purpose of determining the aggregate marks.
